

ICAI/012/CP&GFM/TP – 15th FC State Nodal Officers

Shri N SatyaNarayana,
Commissioner & Director, and
State Nodal Officer for
XVth Finance Commission,
Telangana

Sub: Proposal to support Urban Local Bodies of the State of Telangana in implementation of 15th Finance Commission recommendations

Greetings from the Committee on Public and Government Financial Management (CP&GFM) of the Institute of Chartered Accountants of India (ICAI)!!!

Dear Sir,

The Institute of Chartered Accountants of India (ICAI) is the apex body in the field of accountancy and auditing serving the nation since its establishment by an Act of Parliament in the year 1949. As a partner in nation building, the ICAI through CP&GFM is also involved in improvement of financial reporting and management in Central & State Government (s) and Local-Self Government (including Urban Local Bodies) in India by organising workshops/ training programmes, developing e-learning modules for use of officials of Local Bodies (available at https://icaity.com/category.php?cat_id=21).

To fast track the reforms in ULBs, recently 15th Finance Commission recommended online availability of unaudited annual accounts of the previous year and audited accounts for the year before previous year as an entry level condition (amongst others) to avail grant by ULBs. Similar recommendations were made by earlier Finance Commissions as well; however, these recommendations linked to improvement in financial reporting and management in ULBs are yet to bear the desired results for want of availability of adequate capable personnel/ staff in ULBs and their capacity building.

In this direction, ICAI through CP&GFM hereby proposes to extend its support to ULBs to organise training programmes/webinars for the staff of Urban Local Bodies of the State of Telangana with special reference to '**Accounting and Auditing in ULBs**' to support them to successfully fulfil the conditions of 15th Finance Commission in ULBs of your State and avail benefit of grants provided. These capacity building programmes would be specifically structured to provide them an opportunity to update their knowledge relating to accounting, auditing and augmenting revenue of ULBs. The suggested topics for the programme are enclosed herewith that can be tailored as per the specific training requirements. The programmes/webinars may also be conducted in regional language.

Here, we may mention that recently, a similar program was organised for Punjab State wherein almost 150 officials/staff of Punjab ULBs participated. We hope that this initiative will go a long way in fulfilling the knowledge upgradation requirements of the ULB's staff.

THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA

(Set up by an Act of Parliament)

We look forward to your positive response in this regard. We hope that this collaboration would benefit the ULBs and society at large. Please revert to us for any further clarification/query.

Thanking You,

Yours sincerely,

CA. Kemisha Soni
Chairperson
Committee on Public and Government Financial Management

CA. Sridhar Muppala
Vice-Chairperson
