Sri J.S.V. Prasad, IAS
Director General
Andhra Pradesh Human Resource Development Institute
Guntur, Andhra Pradesh

Dear Sir,

Sub: Proposal for organising training programme for Local Bodies jointly with your institute in the State of Andhra Pradesh

Improved financial reporting and management at Local Bodies is the need of hour to increase their operational accountability & transparency which ultimately helps them in sound decision-making and also delivering good services to the citizens, developing infrastructure in the Country and raising funds from capital market and other financial institutions.

The Institute of Chartered Accountants of India (ICAI) through its Committee on Public and Government Financial Management (CP&GFM) is also working towards improving the financial reporting and financial management in the Government in India (including Local Bodies) by prescribing accrual based Accounting guidance for Local Bodies, i.e., Accounting Standards for Local Bodies (30 ASLBs issued till date which are available at https://www.icaai.org/post.html?post_id=1527), providing technical inputs on Government accounting related matters within India and building capacity of the accounts/finance officials of various tiers of Government by various means such as, organising various workshops/ training programmes (recordings available at https://icaity.com/category.php?cat_id=22) and developing e-learning modules (recordings available at https://icaity.com/category.php?cat_id=21).

Since various endeavours of Government such as Smart City Scheme and/or Atal Mission for Rejuvenation and Urban Transformation (AMRUT) Scheme and Fifteenth Finance Commission have been linked to improvement in financial reporting in Local Bodies, there is a need to build capacity of staff of Local Bodies in the area.

As your esteemed institute is also one of the important stakeholders involved in capacity building exercise in Local Bodies in India, the ICAI proposes to jointly organise training programmes for the officials of Local Bodies on '*Implementation of Double Entry Accrual Accounting System and Financial Management Reforms in Local Bodies (LBs)*' in collaboration with your Institute for the officials of Urban Local Bodies (ULBs) in the State of Andhra Pradesh to highlight the significance of on-going municipal accounting reforms and address the issues in implementation of the same.

An Annexure containing details of our proposal for jointly organising training programme in collaboration with your esteemed training institute is enclosed for your kind consideration and further action in this regard. The programmes may be organised virtually or physically. The programme structure for the training programme may be finalised mutually keeping into consideration specific training requirements of officials of ULBs.

THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA

(Set up by an Act of Parliament)

We look forward to your positive response in this regard. We hope that this collaboration would benefit the Local Bodies and society at large.

Thanking you,

Yours Sincerely,
