(4) if in the opinion of the Court the rental of the land or building has been enhanced by reason of its being used for an illegal purpose, or being so overcrowded as to be dangerous or injurious to the health of the inmates, the rental shall not be deemed to be greater than the rental which would be obtainable if the land or building were used for legal purposes only, or were occupied by such a number of persons only as it was suitable to accommodate without risk of such overcrowding;

(6) if in the opinion of the Court the building being used or intended or likely to be used for human habitation is not reasonably capable of being made fit for human habitation, the amount of compensation for the building shall not exceed the value of the materials, less the cost of demolition;

(7) the Court may award compensation in respect of the severance of any part of a building proposed to be acquired in addition to the value of that part ;

(8) the compensation to be paid for land, including any buildings thereon, acquired as being land comprised in a clearance area shall be the value at the time valuation is made of the land as a site cleared of buildings and available for development in accordance with the requirements of the building bye-laws for the time being in force:

Provided that this sub-section shall not have effect in the case of the site of a building properly included in a clearance area only on the ground that by reason of its bad arrangement in relation to other buildings or the narrowness or bad arrangement of the streets, it is dangerous or injurious to the health of the inhabitants of the area, unless it is a building constructed or adopted as, or for the purposes of, dwelling, or partly for those purposes and partly for other purposes, and part thereof (not being a part used for other purposes) is by reason of disrepair or sanitary defects unfit for human habitation;

(9) the compensation to be paid for a building which the Commissioner is authorised to acquire under sub-section (2) of section 284G as being unfit for human habitation and not capable at reasonable expenses of being rendered so fit shall be assessed in like manner as if it had been land acquired as being comprised in a clearance area.

Collector to take possession after making an award and transfer land to Corporation.

284Q. When the Collector has made an award under section 11 of the Land Acquisition Act, as applied by this Act, he may take possession of the land which shall thereupon vest absolutely in Government free from all encumbrances, and the Collector shall, upon payment of the cost of the acquisition, make over charge of the land to the Commissioner and the land shall thereupon vest in the Corporation subject to the liability of the Commissioner to pay on behalf of the Corporation any further costs which may be incurred on account of the acquisition of the land.

Levy of betterment charges.

Condition for levying betterment charge in clearance and re-development areas.

284R.(1) When by the clearance or re-development of an area as provided for under sections 284A or 284F and 284G respectively any land will, in the opinion of the Commissioner, be increased in value, the Commissioner may declare that a betterment charge shall be leviable in respect of the increase in value of the land resulting from such clearance or re-development.

284 S. Where an improvement scheme has provided for the levy of a betterment charge pursuant to sub-section (2) of section 271, or where the Commissioner has declared a betterment charge to be leviable under sub-section (4) of sections 284R such betterment charge shall be an amount equal to one-half of the increase in value of the land and shall be calculated, in the case of an improvement scheme upon the amount by which the value of the land on completion of the execution of the scheme exceeds the value of the land at the time of the publication of the notification made under section 272 and in the case of clearance or re-development area, upon the amount by which the value of the land on completion of the clearance or re-development of the area exceeds the value of the land at the date of the resolution of the Corporation under section 280 or section 284E declaring that area to be clearance area or a re-development area, as the case may be.

Method of calculating charge.

284 T.(1) When it appears to the Commissioner that an improvement or a clearance scheme or a re-development scheme is sufficiently advanced to enable the amount of the betterment charge to be determined, the Commissioner shall make a report to the Standing Committee to that effect and the Standing Committee after considering the report may by resolution declare the date on which for the purpose of determining the amount of the betterment charge the execution of the scheme shall be deemed to have been completed.

Procedure for determining charge.

(2) The betterment charge leviable in each case shall be determined in accordance with section 284S after following the procedure prescribed in sub-section (3) by such officer as the State Governments may, by notification in the *Official Gazette*, appoint in this behalf at the request of the Corporation.

(3) On a date being fixed under sub-section (1) and an officer being appointed under sub-section (2), the Commissioner shall, in consultation with such officer, serve upon every person on whom a notice in respect of the property affected has been served under sub-section (2) of section 272 or under sub-section (2) of section 284R a notice, which shall state —

(a) the date declared by the Standing Committee under sub-section (1) as aforesaid;

and every person upon whom such notice is served shall be entitled to be heard either in person or by a duly authorised agent when the matter is taken into consideration by such officer.

(4) When such officer has determined the amount of betterment charge leviable in respect of any property, the Commissioner shall serve upon the concerned a notice stating the amount so determined.

(5) With effect from the date of service of the notice under sub-section (4) and subject to the decision upon any reference made to the Tribunal as hereinafter provided in sub-section (6), the amount of the betterment charges determined as aforesaid and interest thereon, if any, shall be a charge upon the property in respect of which it is levied and shall be recoverable in the same manner as expenses declared to be improvement expenses under section 442.

(6) If any person or the Commissioner is dissatisfied with the betterment charge determined by the said officer, he may, at any time within two months from the date of service of notice under sub-section (4) refer the case for the determination of the Tribunal constituted under section 284-O, whose decision in this behalf shall be final.
