Dear Sir,

Sub: Proposal to enter into a Memorandum of Understanding (MoU) for skill development of officials of Finance Department of the State of Karnataka

Greetings from Committee on Public and Government Financial Management (CP&GFM) of the Institute of Chartered Accountants of India (ICAI)!!

Government plays an important role in a nation's progress and its finances contribute a lot to the country's economy. Its proper accounting & financial reporting is essential as the quality of decision making depend on the data used for the purpose.

Role of ICAI:

ICAI is the apex body in the field of accountancy and auditing serving the nation since 1949. ICAI has got more than 160 branches spread across the Country. ICAI, a partner in nation building, is also involved in accounting reforms and improvement of financial reporting and management in various Government entities/departments.

In its relentless endeavour to support Government efforts of continuous upskilling, ICAI through CP&GFM recently entered into a Memorandum of Understanding (MoU) with the Commissioner of Treasuries and Accounts, Government of Tamil Nadu (GoTN) for knowledge transfer and skill development of their officials. Trainings have already been initiated in pursuance of the said MoU. A copy of the Government Order of GoTN containing MoU copy also is attached herewith for your kind reference.

We are writing this letter to support your capacity building initiatives in a similar manner. The customised trainings would be structured for your officials on mutually agreed topics like Accounting, Auditing, Direct Tax and GST, Accounting and Auditing in IT environment.

Suggested terms of MoU are as follows:

- The classroom trainings will be organised in the capital of the State.
- ICAI will bear the cost of faculty.
- Wherever Auditorium/ITT labs are available within ICAI Premises, their usage will also be offered depending upon their availability.
- Minimum number of participants should be 50 per batch.
- Other arrangements will be required to be made by your department.

We are sure that the said trainings will lead to further improving the public financial management

in the State of Karnataka. We look forward to your positive response in this regard. We hope that this collaboration would benefit the Government and society at large.

Please revert for any further clarification/query.

Thanking You,

Yours sincerely,
