Shri Dr. Joga Ram, IAS
Commissioner & Secretary
Panchayati Raj Department
Rajasthan

Respected Sir,

Sub: Proposal to organize training programmes/ webinars and enter a MoU for skill development for staff of Rural Local Bodies of Rajasthan.

Greetings from the Committee on Public and Government Financial Management (CPGFM) of the Institute of Chartered Accountants of India (ICAI)!!

The Panchayats were empowered by the 73rd Constitutional Amendment Act, which devolved significant powers to enhance planning, service delivery, and scheme implementation. According to the Fifteenth Finance Commission (2021-2026), a total grant of Rs. 4,36,361 crores have been allocated to local governments, with Rs. 2,36,805 crores specifically earmarked for Rural Local Bodies (RLBs)/Panchayats. In the light of the substantial funds devolved to RLBs, the establishment of a robust system for effectively monitoring public expenditure is deemed crucial. Additionally, the Fifteenth Finance Commission has recommended that the online availability of unaudited annual accounts for the previous year and audited accounts for the year before the previous year be made a prerequisite for availing grants.

Role of ICAI:

As you may be aware that the ICAI, set by an Act of Parliament, is the apex body in the field of accountancy and auditing serving the nation since 1949. ICAI, functions under the administrative control of the Ministry of Corporate Affairs, Government of India. As a partner in nation building, ICAI is also involved in on-going accounting reforms and improvement of financial reporting and public financial management in various Government entities/departments including RLBs in India. ICAI has got 177 branches spread across the tier I & II cities of the Country.

The ICAI through CPGFM is involved in sensitising the concerned officials and society at large about benefits of accounting reforms by organising various workshops/ training programmes, developing e-learning modules available at https://icaitv.com/category.php?cat_id=21. The Committee is also providing technical support for Certificate Courses for Accountants of Panchayats and Municipal Bodies (i.e., a joint initiative of ICAI & O/o C&AG) details of which are available at <https://lba.icaiarf.org.in/>

The Committee hereby proposes:

- 1. To jointly organise capacity building programme/ webinars of accounts/finance staff of RLBs of State of Rajasthan** with special reference to '*E-Governance, Accounting and Auditing in Rural Local Bodies*' to empower Rural India/Panchayats (**tentative programme structure is enclosed as Annexure A**). The programme structure may be finalised mutually considering specific training requirements of staff. The programmes/webinars may also be conducted in regional language.

THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA

Additionally, it is worth mentioning that the Committee has previously organised a series of two-day training batches for approx. 650 staff of the Commissionerate of Rural Development Department, Gujarat, at various ICAI branches across Gujarat. The brochure for these programmes is enclosed as **Annexure B**.

2. **To enter into a Memorandum of Understanding (MoU) for continuous skill development of accounts/finance officials of RLBs of State of Rajasthan** on mutually agreed themes such as Accounting, Budgeting, Auditing, Direct Tax and Goods and Service Tax, Accounting and Auditing in IT environment and other related contemporary topics *(a copy of MoU entered by ICAI through CPGFM with the Commissioner of Treasuries and Accounts, Government of Tamil Nadu is also enclosed as **Annexure C** for your kind reference)*. Suggested terms of MoU are as follows:
